GOGO GUARANÁ — 100% NATURAL ENERGISER

Guarana seed, from a climbing plant that grows in the Amazon rainforest, has been used by South Americans for centuries to ward off hunger and fatigue and to stimulate clear thinking. This 100% natural stimulant helps you to stay energetic and alert for many hours, without the 'peak and trough' effect associated with many energy tonics. A complex of natural stimulants and compounds found in the seed can help to increase physical and mental energy, and to relieve fatigue. Visit www.gogoguarana.com Rio Trading.

Ingredients: Pure Guarana (Paullinia cupana) seed powder 500mg. Capsule shell: vegetable cellulose.
